WHITEPAPER 1.01

# Whats is Pepe Heroes ?

PEPE HEROES is a project aimed at the entertainment area that has been developed by its corporate office for over a year, with the aim of becoming a great production studio focused on entertainment worldwide. Our team has a great experience in the entertainment market with more than 5 years of history, our entire portfolio will be directed towards building one of the largest production studios.

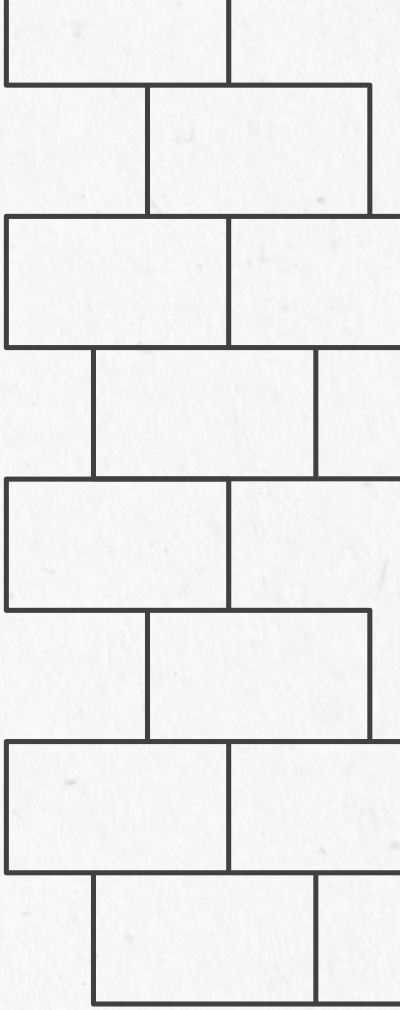

# Whats is Pepe Heroes ?

Among our main production objectives is the development of products aimed at platforms, IOS, Android and Console, one of our future projects involves the creation of entertainment content based on the largest cryptocurrencies and memes on the market and with the help of these platforms we intend to bring more and more people in order to know the cryptocurrency market.

# Pepe Heroes Coin

We are a Token developed on the BINANCE SMART CHAIN (BSC), with a Total Supply of 100 million Tokens, shortly after the launch of the Token we will BURN 30% of the tokens, generating LESS Supply in the market, our reflection mechanism works with REWARDS in BABY PEPE FLOKI , distributed periodically in the Holders' wallets through a smart contract.
